Description	<p>A seminar on ‘Present and Future Technologies’ was conducted on the 19th jan2024 by the Training & Placement Cell of Princeton Institute of Engineering and Technology for Women.</p> <p>The seminar was attended by 150 students from B.Tech All Branches.</p> <p>The morning session was commenced by guiding students in making better career choices in all domains of their interest and was given to them the information of the possible upcoming opportunities in both the government and the private sector. The speaker has rich experience of both industry and academics and the words of guidance proved to be the master stroke for many students. The session included students from all the streams.</p> <p>Students were enlightened upon some of the advanced aspects of information which is also one of the subjects of their academic syllabus. The session was highly informative and motivating. The speaker engaged the students in continuous one on one discussion which made it even more interesting. The speaker also answered lots of queries of the audience and the session concluded with a very interesting crossword contest, result of which was declared there itself. Students benefitted tremendously with this session and their engagement with the speaker proved to be an excellent platform to make strong and intelligent decisions for their careers.</p>
